

AMATEUR GOLF SOCIETY

Get the most out of the AGS Tour App with three easy steps

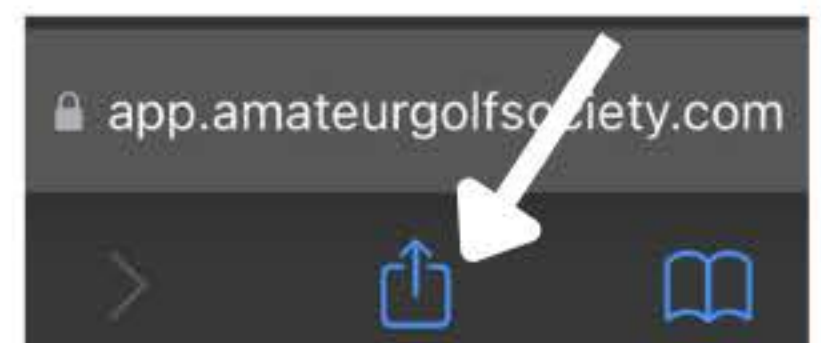

iOS Instructions for iPhone users

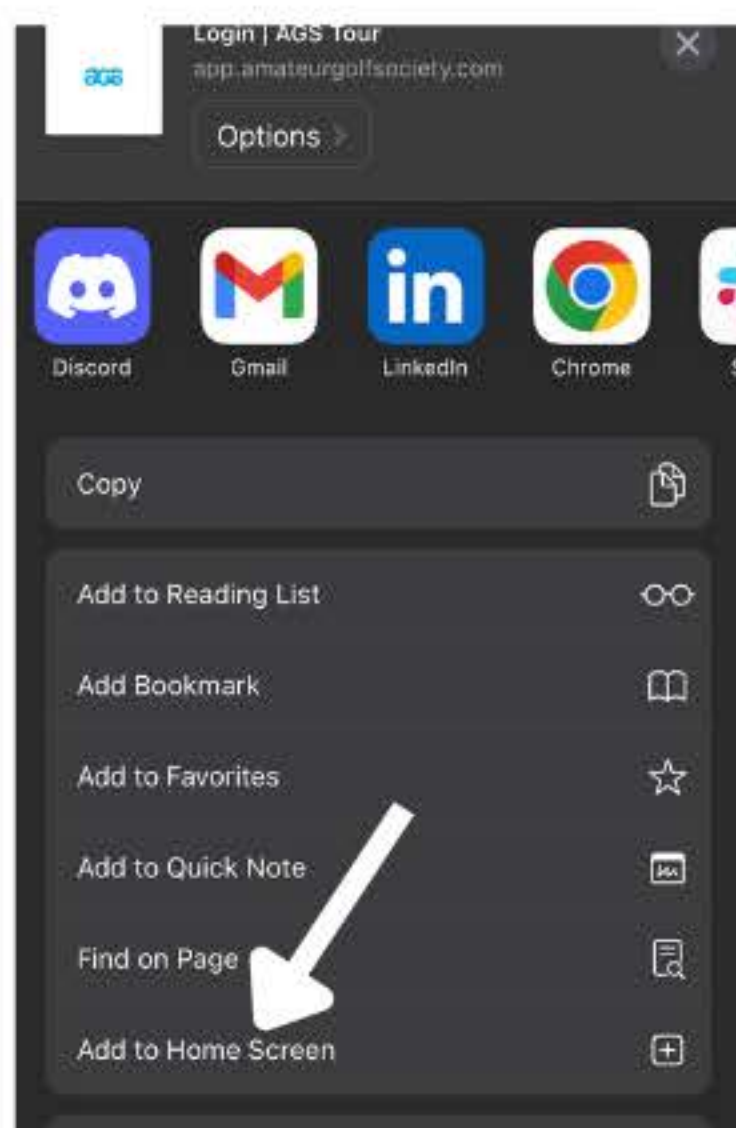

The AGS Tour app is known as a Progressive Web App (PWA). We built it this way to be able to update sponsor and partner info, as well as member perks just for you, in real time. Follow this guide to turn this into your favorite app on your cell phone's home screen.

1 **Navigate to www.amateurgolfsociety.com** to learn more about membership options. When you are ready, **click "Join Now"** to open up the AGS Tour app. ****Note: This must be done In Safari***

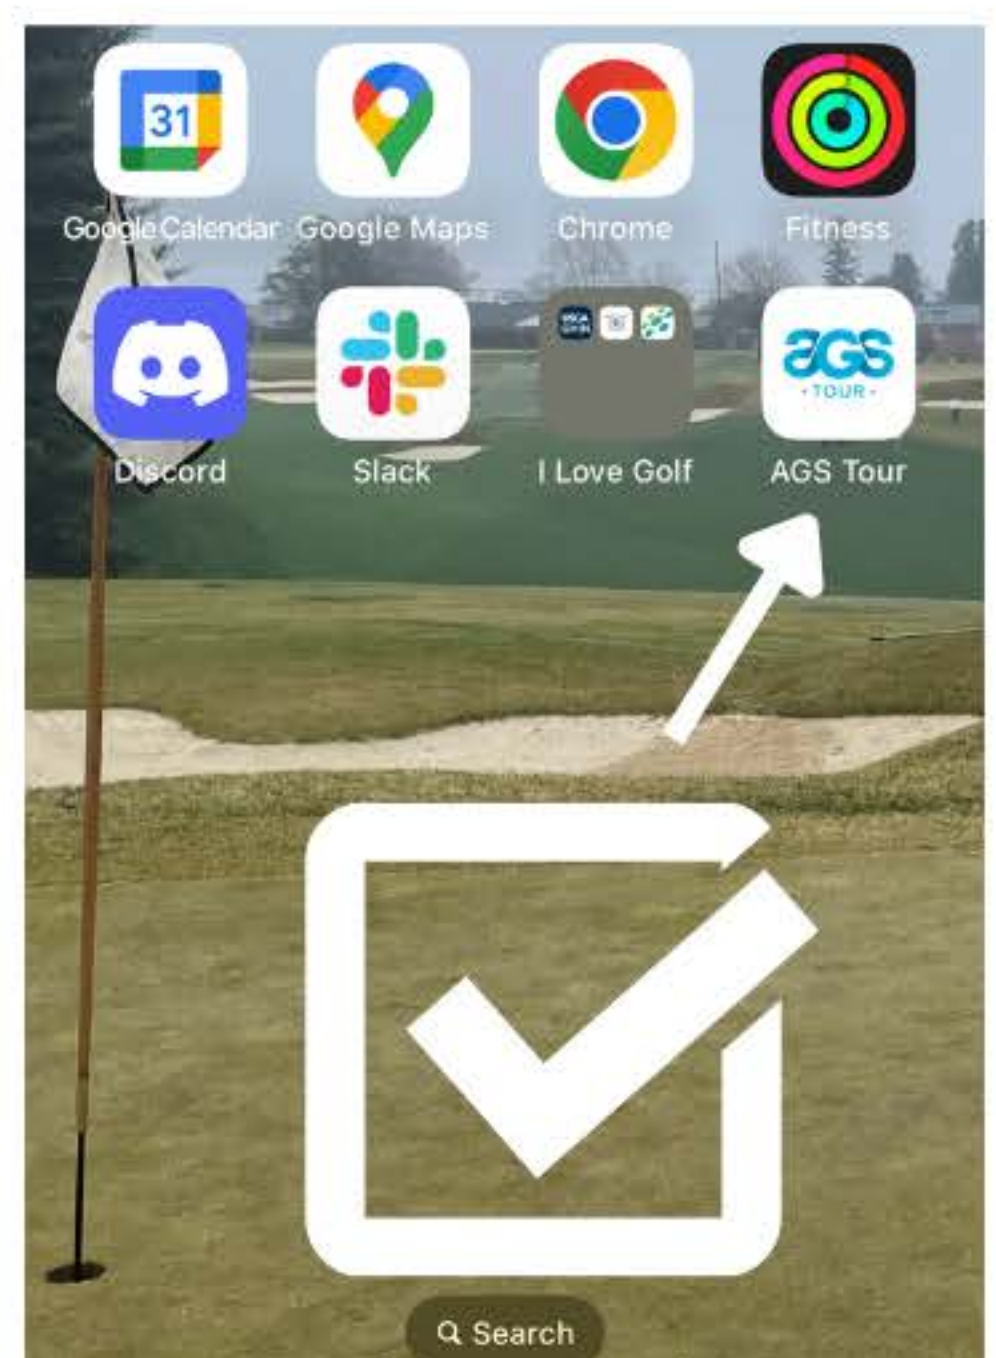

2 To add the app to your home screen, **click the Share button** on the bottom of your browser

3

Scroll down, **select "Add to Home Screen"**
